Performance Clutch Kits contain everything you need to upgrade your worn out clutch plates and springs PLUS takes it one step further with a *Wiseco forged clutch basket and new rubber cushions*. Wiseco forged baskets are tougher and stronger than stock, and achieve higher fatigue properties than any other clutch on the market. The hard coat anodizing wears like iron, and greatly extends the life of the basket against notching. **Your Wiseco clutch basket automatically includes a lifetime warranty against notching and breakage!** Also included is a full set of frictions, steels, and clutch springs made from premium grade materials. Refresh your worn out clutch and notched basket with the ultimate in high quality Wiseco clutch components.

Performance Clutch Kits come complete with forged clutch basket, cushions (where applicable), friction and steel/alloy plates, and clutch springs.
